Joining Young & Old

Luke 2:22-40

The Gospel of Luke describes the encounter between two young spouses full of joy and faith due to the grace of the Lord, and two elderly people also filled with joy and faith through the action of the Holy Spirit, Who causes them to meet Jesus. He joins young and old, bringing generations closer. He is the font of that love that unites families and people, conquering all diffidence, all isolation, all distance. This causes us also to think of grandparents and how important their presence is!

How precious is their role in the family and in society! A good relationship between the young and the elderly is crucial for the civil and ecclesial community. Looking at these two elderly people - - Simeon and Anna - - let us always remember all the worlds' grandparents.
